PROJECT: Underground Electrical Civil Construction  
Solicitation #: 6100 CLMB338  
SUBJECT: Clarification #2

**The following are answers to Offerors' questions received on the above project. These answers do not modify the Proposal Documents. Any modifications to the Proposal Documents will be through an Addendum.**

Question 1: On the unit pricing schedule, Category 8 (Conduit, Cable, Transformer), is line item 8.0 Install URD Primary Cable to be priced for the installation of one (1) cable?

Answer 1: All cable is provided by the Owner and installation will be paid out per linear foot.

Question 2: On the unit pricing schedule, Category 8 (Conduit, Cable, Transformer), is line item 8.1 Install URD Secondary Cable to be priced for the installation of one (1) cable?

Answer 2: All cable is provided by the Owner and installation will be paid out per linear foot.

Question 3: For Category 11 (Concrete, Road Base, Surface Rock Flexible Base), do we price for material only? How would we bill for labor to transport the material?

Answer 3: For Category 11, Concrete, Road Base, Surface Rock Flexible Base, price for material only. For transportation of material, use line item found in Category 1, Schedule of Man-Hour Billing Rates.
